Our mighty alma mater was constructed in 1911 after students attended school on the upper floor of the McClure building on Eighth and Franklin. Steady increase of students at A.H.S. required more room, and in 1922 Patriot's Hall was constructed, this additional space allowing room for the manual training room and a domestic science room along with the gymnasium. With the fire November 29, 1942, came the destruction of our auditorium which had been built in 1914 to accommodate the activities of the student body. Classes were held in various parts of town including the

Presbyterian Church Annex, and Lewis and Clark Junior High School until the high school building was once more on its feet.

Last year one of the columns in the front was repaired. This year the renovation of a room in the north part of the building made it possible for the girls to have their own health room. New facilities are being made available for the Home Economics classes. Also a dark room has been set up for the benefit of students interested in photography.

Who initiated Homecoming . . .  
and sponsored dances . . . Who  
stopped initiation of lower class-  
men . . . and who ended the wor-  
ries of snowballing . . . Simply by  
enlarging to 33 members and  
putting forth their best efforts in  
helping Astorio High School . . .  
under the expert guidance of  
Principal Wells and Mr. Bush . . .  
and Student Body President Dick  
Windsor . . . the Student Council  
did a job to be proud of by adding  
so much to the 1951 A.H.S.  
school year . . . It is to the Stu-  
dent Council we dedicate this  
Zephyrus of 1951.

## OFFICE GIRLS

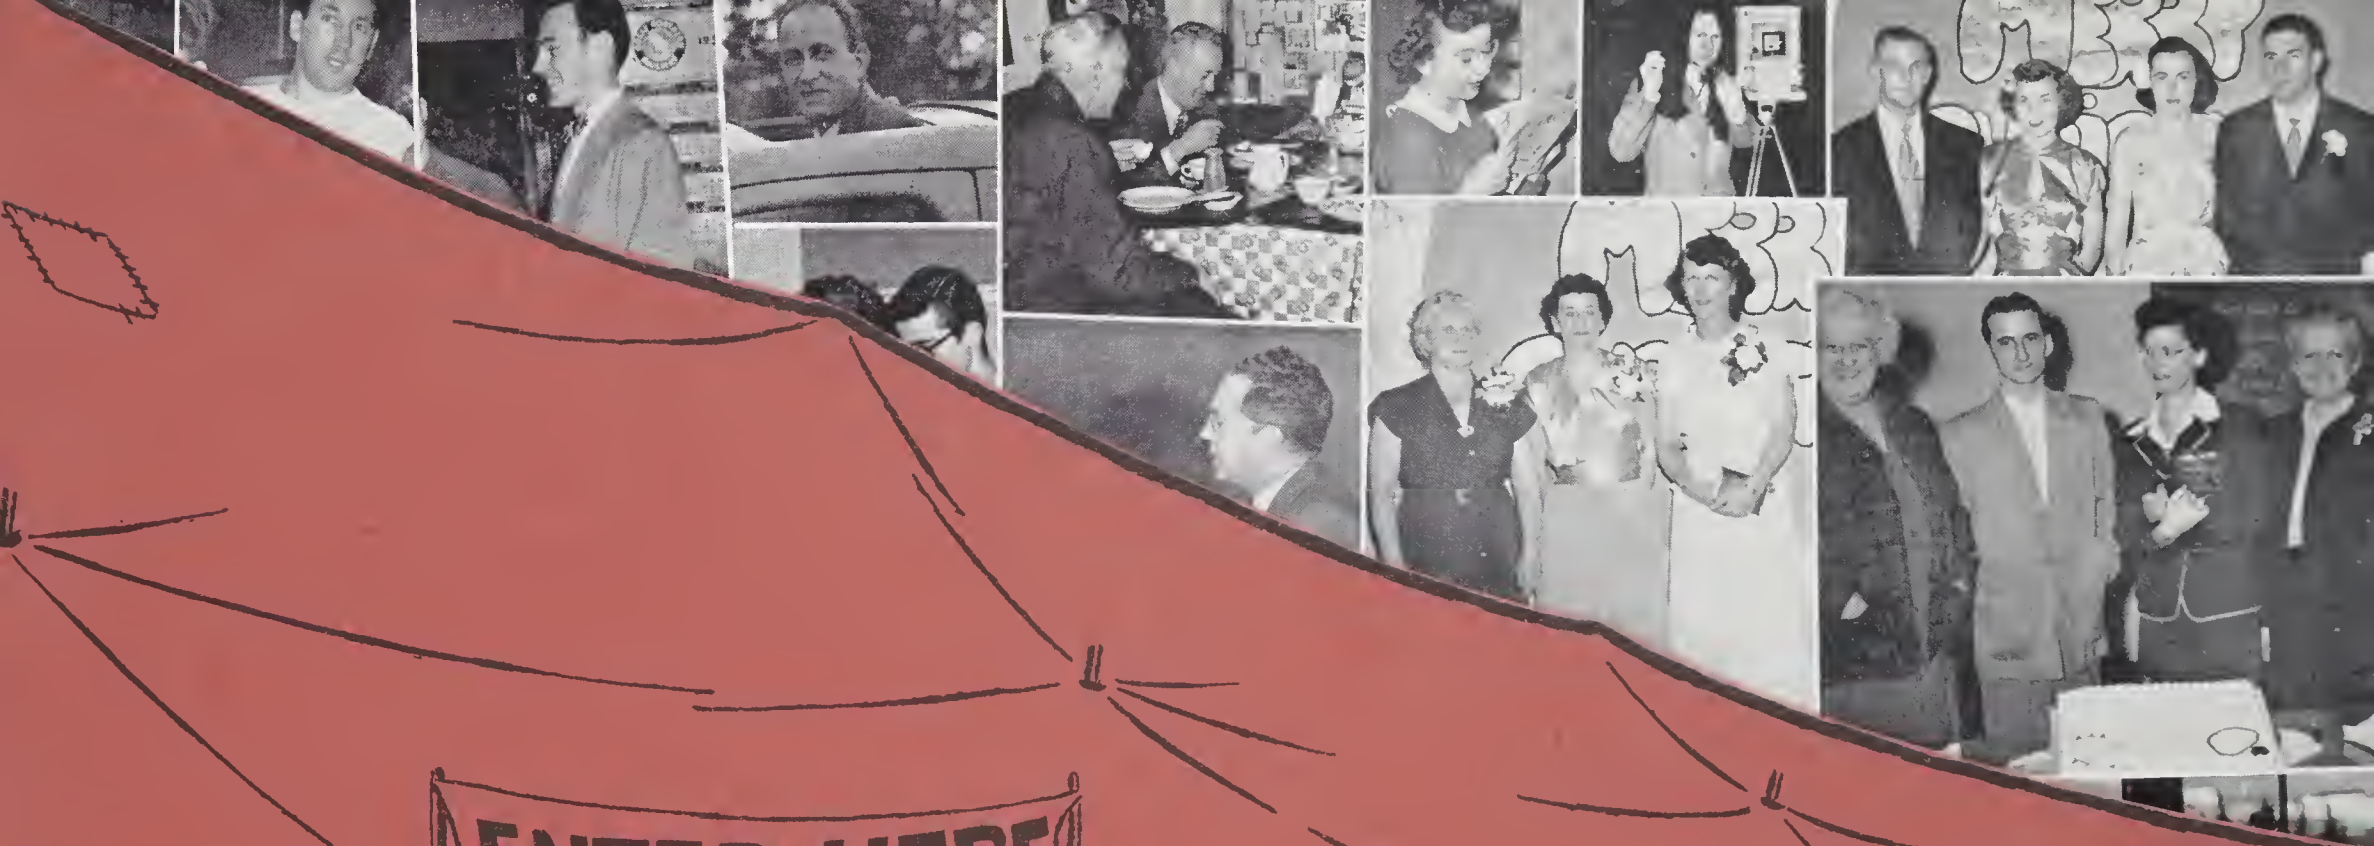

Seated: Mary Jo Seeborg. Standing: Mr. Wells, Betty Stilwell, Marilyn Andresen, Eileen Wirkunen, Carlotta Nyland, Daphne Haga, Gerry Gibson, Lydia Dorn, Shirley Robinson, Julie Simmons, SuVane Holmes.

Mary Ja's nine capable student helpers contributed to the efficiency and accuracy of the work performed by the office staff. Their daily duties consisted of collecting and marking the absentee and tardy slips for each room and delivering messages to teachers and students alike throughout the school year. They also typed and filed copy for the administration and the faculty and mimeographed bulletins, tests,

and the like. The office girls under the direction of the office secretary, Mary Ja Seeborg, and Miss Friedrich, also helped with the task of tallying grades at the end of the six weeks periods. The only qualification necessary to be an office girl is to be an average student in the commercial course. The pleasant and cheerful attitude of these nine girls made it easier for students and teachers to go to the office to work out their problems.

**OUR  
SUPERINTENDENT**

ARLE C. HAMPTON

Mr. Hampton's willingness to come back to Astoria to resume the position of superintendent after Mr. Burgess's death was certainly appreciated by the A.H.S. students and faculty. We know no one else who could have managed the problems of the Astoria school system so capably and with such success.

**OUR  
PRINCIPAL**

THOMAS A. WELLS

A catchy smile and a friendly hello are only a small part of the wonderful personality presented students and faculty members alike by Mr. Wells. We will certainly never forget all he has done for us in his year as principal at Astoria High School. Hood River's loss was Astoria's gain.

One of our most active and popular faculty members is Miss Willsie, who completed her last year of A.H.S. on May 24. Miss Willsie came to Astoria to become head of the English department. Since that time she has taught orientation, speech, and social problems, directed many plays and advised the Girls' League. One of her best known jobs has been that of Dean of Girls. It is in this particular position that she has helped and won the friendship of so many girls. She's a wonderful teacher and a person we'll never forget.

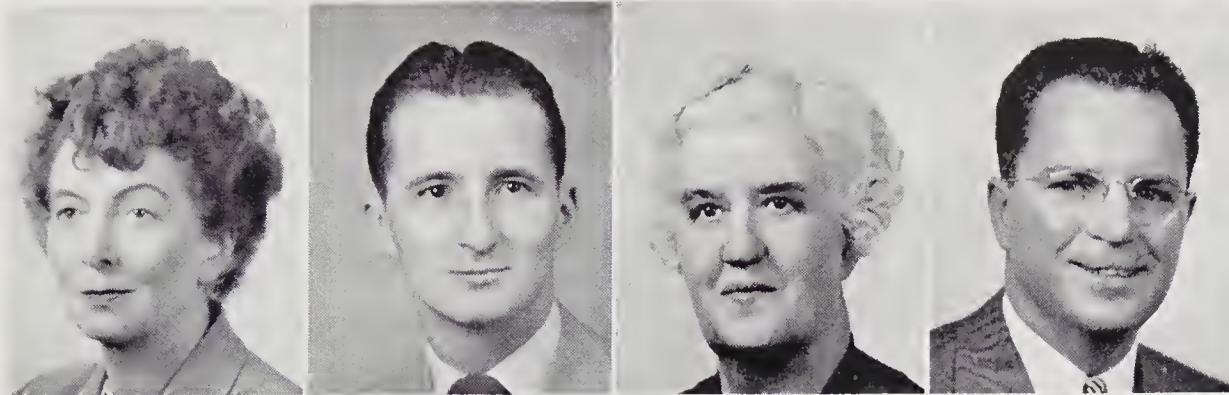

Mary Jo Seeborg is the office secretary and a vital factor in our smooth running school. Mr. Bourne advised the T and I Trainees. He was head of vocational education. Mr. Bush is Vice Principal and Dean of Boys.

Miss Isabel Willsie, Mary Jo Seeborg, Mr. Bourne, Mr. Bush

# 24 Coaches Pick Pavlat, Hancock To 2d And Third State High Grid Teams

Editor's note: United Press today presents its first All-State high school football team, selected by 24 coaches from each of the 36 Oregon counties. The team is made up of the second string players on the first team and one player from the second string.

By  
U. P.

The Grant-Eugene Axemen won the first string on the first team of the 1950 Oregon high school football team.

The General's champions placed the first team. They lost to Grant in the final game, 7-6, played on the first team and second.

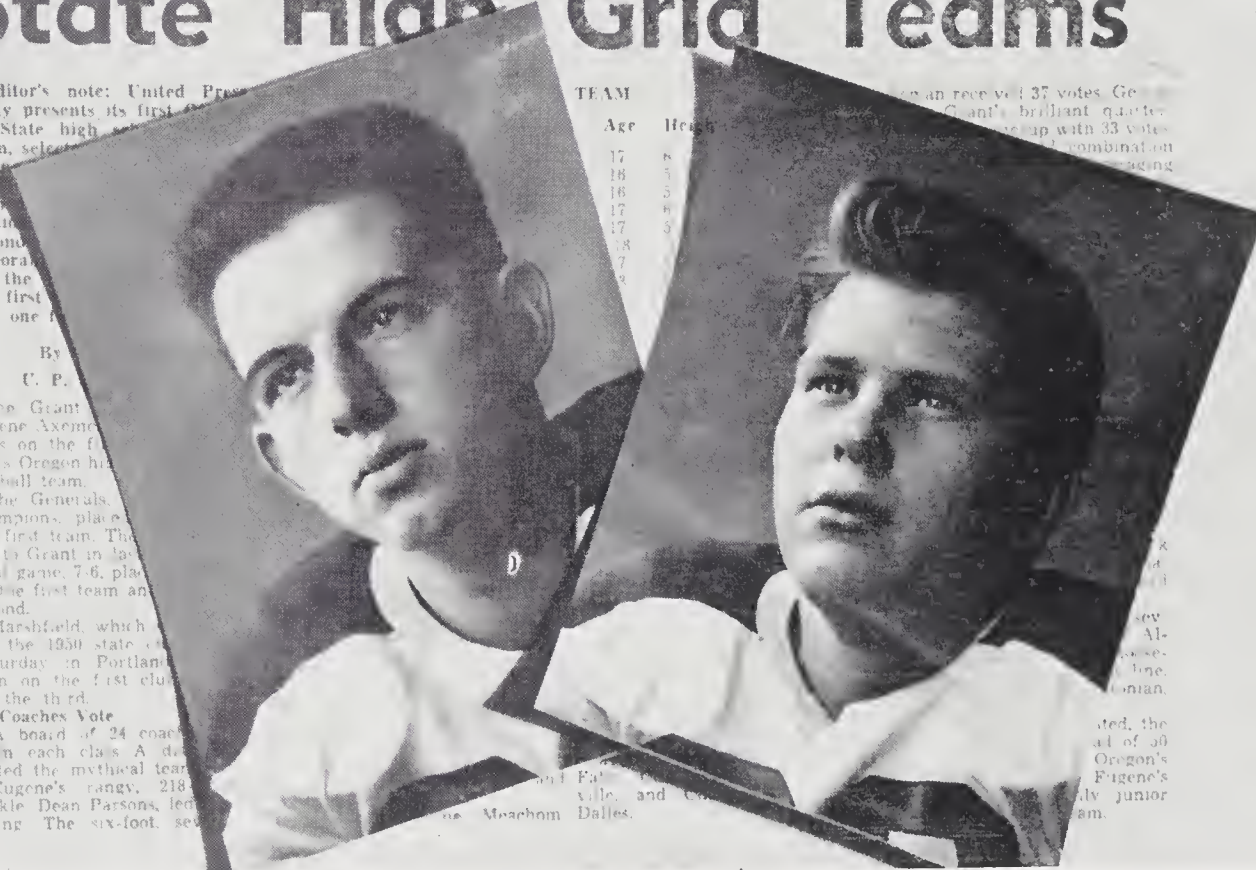

Marshfield, which lost to the 1950 state champion on Saturday in Portland, was named on the first string on the third.

## 24 Coaches Vote

A board of 24 coaches from each class A district selected the mythical team. Eugene's rangy, 218-pound tackle Dean Parsons, led the voting. The six-foot, second stringer on the first team, received 37 votes. Grant's brilliant quarterback, who teamed up with 33 votes, was the combination of the two players.

## A GOOD SEASON

"We've got the coach . . . We've got the team!" This rally yell couldn't have told a more truthful statement as Ray Segale's Fighting Fishermen rolled over pre-season competition to reach the quarter finals. Curtains fell when they dropped a heart breaker to the defending state champs, Grant High of Portland. The Longview Lumber Jacks' Seniors, experienced ball club, chopped down the Fishermen 18-0 in the opening game.

In the seven consecutive games following, Astoria rolled over all competition with sizeable scores. First to fall were the Milwaukee Maroons. Then came the Central Rams, who failed to stop the afternoon aerial attack exhibited by Astoria. The Gresham Gophers lost out in the second half of the following game. All 34 reserves entered the invasion against Seaside after scoring a T.D. on the first play. The Fishermen managed to swamp the Tillamook Cheesemakers in the first annual

Homecoming game. The Finns carried home the Mayor's trophy after passing 7 out of 11 completions over the Salem Vikings' heads. Ray Segale's Magic Ball Handlers captured the District Seven Crown during the encounter with Vernonia. A squad cut and light work schedule preceded the state quarter final battle, but failed to produce the necessary manpower to overcome the Grant Generals. Portland's cream team smothered the Fishermen 38-0.

## JAYVEES

Although the Jayvee season was not too impressive, it still proved to be worth its weight in gold. This farm squad consisted primarily of Varsity reservist with backfield coach, Jim Pearson, teaching the fundamentals. A number of the performances were nip and tuck; however, they managed to collect two victories against three losses and one tie. Interesting events incline one to remember left halfback David Lum's sensational completed pass on the fourth down with twenty to go in the Hillsboro encounter.

## FINGERLINGS

Coach Ward Paldanius' Frosh squad came through this season boasting three wins, one tie, and a single loss record, bettered only by Ilwaco in the second encounter. Fingerling football is basically the first taste of tackle ball which has greatly aided in forming top-notch material for the Varsity squad. Potential players recommended among the 15 numeral earners were Team Captain Gary Beyers, Bob Reiter, Dick Pettit, Bob Bray and still others.

## QUINT ENTERS STATE TOURNEY

As soon as the final gun quit echoing an Gyra Field the A.H.S. basketballers were preparing for the best season in the past three years. Coach Ward Paldanius was at the reins contributing all the hoop scoop possible for a winning team. The Fishermen won 16 and lost nine, very often exhibiting all-state

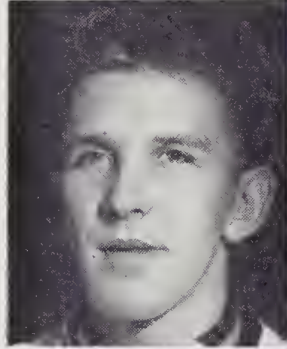

style of ball. District play-offs found Astoria clashing with Seaside on the Army floor with two wins and a single loss credited to both teams. The winner would represent District 10 in the tournament. Wasting no time the high spirited Finns snatched an early lead and held it to the remaining of the game to

win 44 to 32. Now Astorio was bound for the tournament for the first time in three years. (For tourney information see page 69.) Reminiscing over the season inclines one to recall the second victories over the Portland University Frosh, when the Astorio hopsters went into a phenomonal torrid shooting spree to

trounce the Bobes 51 to 61. Another stand out was the three-day coast trip to North Bend. Last and best of all, Solem, the defending state champs and pre-tourney favorites were nullified by the Fighting Fishermen in the first night of tournament play.

Reaching the state tournament held in Eugene, March 20-24, for the first time in three years the Fishermen did well to carry on the high standards of Astoria High. In the opening tourney battle the Fishermen evened a score which has lasted for two generations by defeating their bitterest rivals, the Salem Vikings, 49-45. After consuming many poached eggs and staying in bed a great deal of the time they went out to meet the taller

Eugene Axemen and lost after a thriller, 51 to 46. In the consolation bracket the tired Fishermen couldn't keep up with a fast Bend outfit and lost in another close one, 51 to 50.

Paul Gauthier walked off with the laurels for Astoria High as he put the Salem game on ice with his long swishers and was also high point man in the Eugene game.
